Petersburg 5-28-1793

Sir:

As Mr. Gilliam had had a few suits in Amelia at the time that Nancy recvd a judge. as you as Sec. for John Southall - I think it highly probable he must remember more of the witnesses than I can at this distance of time, + therefore it would be most proper that his evidence should be had in the first instance. I recollect his req me to settle a judge he had recvd agt you as atty for Nancy. I think it was + that I afterwards paid the money to him at the dist. of 35 pr tax me

memory will not serve me so as to recollect particularly the sums.

I think the judge oft. ags. you will alone require vouchers to support the ch. wch you make ags. John Southall's est. & the person who alledges that it has never been paid ought to prove it, after so long a standing. I am Sir
